DOP / CAMERA OPERATOR

As Director of Photography, Richard offers extensive experience managing high-performing lighting and camera crews on a wide variety of productions. Using exceptional communication, leadership and planning abilities to motivate teams to achieve first-class results within specified filming timeframes.

BRIEF WORK HISTORY

Director of Photography 04/2001 - Current

Freelance - Farnham, Surrey

With over twenty five years experience on a variety of productions, Richard understands what is required logistically and technically to get the job done. Richard has worked in many challenging environments around the world, always working closely with the director and producers in keeping a keen eye on the story and crafting the best shots to best portray it either as a multi cam unit or a single camera shoot, location or studio. Above all, Richard is passionate about his job, and enjoys being part of a fun and creative team in whatever role he is required to do.

Additional skills : CAA GVC and Euro A2 certificated drone pilot.

***Available with or without kit. DOP or as Camera Op.**
